

Submeter Usage Report

**Device:** PML480

**Reporting Period:** March 2026

**Report Generated:** 2026-04-01 00:01 UTC

Usage Summary

| Opening Value | Closing Value | Total Usage |
|---------------|---------------|-------------|
| 0.00          | 750.50        | 750.50      |

*Notes: Opening Value is the meter reading at the end of the preceding month (from MonthlySummary). Closing Value is the last recorded reading during the reporting month. Total Usage = Closing Value – Opening Value.*
